Prospective SCFD member(s) are obliged to provide details of any and all incidents that you, or a dog owned or handled by you, have been involved in that may affect your membership with SCFD. This may include, but not be limited to, incidents that have been reported to another organisation, local council etc. Please be aware that SCFD will not be in a position to impose disciplinary action against you for any past actions taken, or not taken, by you.

However, we may, if we deem it necessary for the protection of our members, their families and their pets and the members of the public, decide not to: accept a membership application, not allow a dog to train with SCFD or request that an aggressive dog is crated when not training and muzzled at any time when not crated, except when actually training.
